The Empire Beauty Schools will assist in that endeavor by providing current information on an ongoing basis to all students.

Student Assistance:

The Empire Beauty Schools hold all students accountable in terms of substance use but also supports getting help for students. Students who come forward voluntarily to identify that they have a substance problem will not be reprimanded. It is important for the student to come to an understanding regarding the extent of the problem in order to correct the problem and be able to avoid future usage in violation of the Empire Beauty Schools Policy. This is required in order to correct the problem and be able to avoid violating the school's Policy in the future. If the student is willing to actively engage in resolving the substance use problem, the Empire Beauty Schools will refer the student to a Substance Abuse Professional for an assessment and possible outpatient counseling at the student's expense. This leave will be conditioned upon receipt of reports from the treatment providers that the student is cooperating and making reasonable progress in the treatment program. The student will be permitted to return to school only if they pass a drug /alcohol test and has satisfactory medical evidence that they are fit for attendance. This protection does not cover a student who confesses a problem after an incident or accident that requires a substance use test, or after being notified that a reasonable suspicion test is required.

Disciplinary Action:

Violation of this Policy may result in the student's immediate termination. Re-admittance may be considered after 60 days. To be considered for re-admittance, the student must provide proof of having satisfactorily attended treatment that is provided by a Substance Abuse Professional (SAP) and/or prescribed by a SAP and completed a drug and/or alcohol test, determined by which test was previously positive, with a negative test result. If the student is re-admitted, they must complete the prescribed follow-up testing by the SAP or by law, as applicable, to continue attending the Empire Beauty Schools. Treatment and follow-up testing will be at the expense of the student. The Empire Beauty Schools may terminate a student who has entered a rehabilitation program for violations of the Drug Free School Policy or any other school policy in accordance with the procedures set forth in the Student Catalog.

Confidentiality:

All information, interviews, reports, statement memoranda and drug test results, written or otherwise, received by the Empire Beauty Schools as part of this drug testing program are confidential communications. Unless authorized by state laws, rules or regulations, Empire Beauty Schools will not release such information without a written consent form signed voluntarily by the person tested. Information on drug testing results will not be released unless such information or records are compelled by a court or a professional or occupational licensing board.

Biennial Review:

Empire Beauty Schools will review the drug and alcohol prevention program every two years. Any recommendations/data and or assistance available to substance abusers will be updated and distributed to all students and staff of the schools.

Notice of Federal Student Aid (FSA) Penalties for Drug Law Violations:

The Higher Education Opportunity Act requires institutions to provide to every student upon enrollment a separate, clear and conspicuous written notice with information on the penalties associated with drug-related offenses under existing section 484(r) of the HEA. It also requires an institution to provide a timely notice to each student who has lost eligibility for any grant, loan, or work-study assistance as a result of penalties under 484(r)(1) of the HEA a separate clear, and conspicuous written notice that notifies the student of the loss of eligibility and advises the student of the ways in which to regain eligibility under section 484(r)(2) of the HEA. Students are hereby notified that federal guidelines mandate that a federal or state drug conviction can disqualify a student for Federal Student Aid funds. Convictions only count if they were for an offense that occurred during a period of enrollment for which the student was receiving Title IV aid—they do not count if the offense was not during such a period. Also, a conviction that was reversed, set aside, or removed from the student's record does not count, nor does one received when the student was a juvenile, unless the student was tried as an adult.

The Higher Education Act of 1965 as amended (HEA) suspends aid eligibility for students who have been convicted under federal or state law of the sale or possession of drugs, if the offense occurred during a period of enrollment for which the student was receiving federal student aid (grants, loans, and/or work-study). If you have a conviction(s) for these offenses, call the Federal Student Aid Information Center at 1-800-4-FED-AID (1-800-433-3243) to complete the "Student Aid Eligibility Worksheet" to find out how this law applies to you.

If you have lost federal student aid eligibility due to a drug conviction, you can regain eligibility if you pass two unannounced drug tests conducted by a drug rehabilitation program that complies with criteria established by the U.S. Department of Education.

By completing the FAFSA, you may be eligible for nonfederal aid from states and private institutions even if ineligible for Federal Aid. If you regain eligibility during the award year, notify your financial aid office immediately. If you are convicted of a drug-related offense after you submit the FAFSA, you might lose eligibility for federal student aid, and you may be liable for returning any financial aid you received during a period of ineligibility.

School Flexibility:

The Empire Beauty Schools reserve the right to alter or amend any portion of this policy at any time without prior notice. The schools reserve the right to alter or modify this policy in a given situation depending on the totality of the circumstances. Time periods stated herein for the performance of any act or provision of any notice by the schools are for guidance only and failure of the Empire Beauty Schools to strictly meet any time frame provided herein shall not preclude the schools from taking any action provided herein. Under no circumstances shall failure to perform any act within the time frames herein excuse or relieve any student from his or her obligations, act to nullify any positive test, or relieve any student from the consequences of any positive test, or any other violation of this Policy.

The use of alcohol or drugs (unless prescribed by a physician) is strictly prohibited. The use or possession of alcohol, drugs, or any drug paraphernalia in any form on school premises, on school grounds, or at any school related activity would result in immediate expulsion.

Financial Information

Verification Policy

Verification is the process by which the Financial Aid Office compares the information on the Free Application for Federal Student Aid (FAFSA) with source documents provided by the student to verify the accuracy of the application information. These policies are to be used in conjunction with the Department of Education's Verification Guidelines. Federal student aid will not be awarded to those students selected for verification until all requested documentation is submitted and the verification process is complete. If a student withdraws from all classes before verification is completed, the student must provide the necessary documents for verification within 45 days of the withdrawal date in order to receive a post-withdrawal disbursement.

Verification Deadlines:

The deadline for a student to submit the required verification or other documentation will be 60 days from the date of the first email request. No student will be awarded or disbursed federal student aid until all documents have been reviewed and the data in question has been resolved.

Consequences:

It is the student's responsibility to provide requested information so that the verification process can be completed. The school is unable to disburse federal student financial aid until the verification process is complete. Failure to complete the verification process may result in a student not being eligible for federal aid and will need other means to pay for classes. Failure to adhere to a new payment schedule within 60 days, may result in the student being dropped from contracted class.

Notification of Award Change:

The Financial Aid Office will notify a student of the results of verification of an Award Letter or a revised Award Letter. The Student will be expected to come into the office to view the award and sign prior to disbursement of federal funds. If changes have been sent electronically to the U.S. Department of Education, the student is notified by receiving a new Student Aid Report (SAR) from the federal processor.

Overpayment cases to the Department of Education:

Overpayments of federal and state aid, if they occur, are resolved with subsequent adjustments to the student's account. If an adjustment cannot be made, Empire Beauty Schools will refer the overpayment to the appropriate federal agency.

Required correction procedures for students:

Upon receipt of the SAR, the student should review all information listed on the SAR and submit for processing any errors reported on the original FAFSA to the Central Processing System (CPS). In addition, customized Verification Worksheets will be sent via email, mailed to the home address of students or meet with Financial Aid Office, selected for federal verification. The student and parent(s) should complete the documentation upon receipt and return it to the Financial Aid Office by U.S. mail, email, or drop off to financial aid office. All verification documents must be received by the School within 60 days of notice; to avoid the cancellation of the student's financial aid award. An electronic summary of a student's original FAFSA and any corrected FAFSA information will be sent from the CPS to the School. Once received, all FAFSA data, The Institution's Verification Worksheets, and any supplemental verification documents will then be reviewed by the School to verify the accuracy of the student's FAFSA information and to calculate his/her eligibility for need-based financial aid.

If a student's FAFSA information changes as a result of the School's verification process, the School will: submit for processing changes to the FAFSA information determined to be in error*;

recalculate the student's Federal Pell Grant on the basis of the recalculated EFC;

adjust the student's financial aid package on the basis of the recalculated EFC; and notify the student in writing (by U.S. mail, email or in-person) of any change to his/her financial aid package.

***Note:** Although the School will be able to submit most changes to FAFSA information, on occasion it may be necessary for the student to submit changes directly to the CPS. In such cases, the School will notify the student in writing (by U.S. mail, email or in-person) as to which data items must be corrected by the student and submitted for processing to the CPS.

Standard procedures for referring a student to the Office of Inspector General:

Students and parents are advised that the School must and will refer to the Office of Inspector General (OIG) any credible information indicating that an applicant for Federal Student Aid may have engaged in fraud or other criminal misconduct in connection with FAFSA applications. Common misconduct includes false claims of independent status, false claims of citizenship, use of false identities, forgery of signatures of certifications, and false statements of income. Note that fraud is the intent to deceive as opposed to a mistake on an application.

Procedure for Paying Federal Student Aid Credit Balances

Federal Student Aid (FSA) credit balance is created when the total of all FSA funds credited to a student's account exceeds the total of tuition, fees, room, board and other eligible institutional and educational charges on a student's account. Any FSA credit balances are created by funds from the Federal Pell Grant and Federal Direct Loan Programs. Title IV, HEA funds will not be used to cover overtime charges. All students are counseled on their maximum loan eligibility and required to either accept or deny any credit balance remaining on their account.

Unless a student or parent (in the case of a Parent PLUS Loan) authorizes a school to hold a credit balance, the credit balance must be paid to the student or parent as soon as possible but no later than fourteen (14) calendar days after the balance is created (or 14 days after the first day of class if the credit balance was created before the first day of class).

By signing the Authorization to Hold a Federal Student Aid Credit Balance form, you authorize Empire Beauty Schools to retain and FSA credit balance until the end of a payment period in the award year for which those funds were awarded. At which time, Empire Beauty schools will refund excess funds to you (the student or parent, as applicable). Empire Beauty Schools will pay credit balances by check or electronic transfer of funds.

A student or parent has the right to withhold agreement from all or part of this authorization. If you elect not to authorize Empire Beauty Schools to hold your FSA credit balance, the funds will be paid to you (the student or parent as applicable) within the fourteen 14-day period noted above. Note that if you elect not to sign this form or, if later cancel your authorization, you will be required to pay any outstanding charges to the school. A copy of this agreement will be held at the corporate office to ensure funds are not withheld.

This authorization will remain in effect for each subsequent payment period unless you withdraw it. However, in no case will Empire Beauty Schools hold an FSA credit balance of loan funds beyond the end of the loan period, nor an FSA credit balance of other funds beyond the end of the last payment period in the award year for which the funds were awarded.

This authorization may be withdrawn at any time providing a written request to the following address:

Empire Beauty Schools Corporate Office
P.O. Box 16309
Hooksett, NH 03106

If you withdraw your authorization, Empire Beauty Schools will deliver any remaining credit balance to you within 14 days. (Note that your cancellation is not retroactive).

Return of Tuition Assistance (TA) Funds

Military Tuition Assistance (TA) is awarded to a student under the assumption that the student will attend school for the period for which the assistance is awarded. If a student withdraws, the student may not be eligible for the full amount of TA funds awarded. In order to comply with the new Department of Defense Policy, Empire Beauty Schools will return any unearned TA funds on a proportional basis through the 60% portion of the period for which the funds were provided. Unearned funds will be returned based upon when a student stops attending during an enrollment period. When service members are required to stop attending due to a military service obligation, Empire Beauty Schools will work with the service member to identify solutions that will not result in a student debt for the returned portion.

Calculation:

The date the student “officially” withdraws from a program, is considered the last date of attendance for return of tuition assistance. If a student is reported by faculty as not attending a program of the equivalent of two consecutive weeks without notifying the faculty, the student will be administratively withdrawn. Empire Beauty Schools will determine the last date of attendance (LDA) by determining the last date of activity within a program.

Empire Beauty Schools will recalculate the TA eligibility based on the following formula:

$$\frac{\text{Number of hours completed}}{\text{Total hours of the course (start to end date)}} = \text{percent earned}$$

Return of TA Funds:

Determining eligibility for TA is specific. The program start and end date will be used to determine eligibility. Using the formula above, Empire Beauty Schools will determine the amount of TA awarded that must be returned when a service member does not complete at least 60% of each program, which could result in creating a balance on Empire Beauty Schools student ac-

Satisfactory Academic Progress Policy (SAP)

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at the school. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

Students are evaluated for Satisfactory Academic Progress at the conclusion of each evaluation period as follows:

Attendance Progress Evaluations

Students are required to attend a minimum of 67% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Empire Beauty Schools evaluates students' academic and attendance Satisfactory Academic Progress at the conclusion of each evaluation period. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

Transfer Students

The frequency of evaluations is dependent on the number of hours the student has accepted in the program. Empire Beauty Schools evaluates students' academic and attendance Satisfactory Academic Progress at the conclusion of each evaluation period.

Maximum Time Frame for Course Completion: (varies per campus)

The maximum time (which does not exceed 150% of the course length) allowed for students to completed each course at satisfactory academic progress is stated below: Evenings are not offered at the Laconia Campus. Cosmetology & Barbering Evening Programs are not offered at the Somersworth Campus.

The institution operates all programs according to a schedule of 900 hours per academic year of instruction. The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 67% of the scheduled contracted hours. The maximum time frame for a transfer student is based on 150% of the actual contracted hours at the institution. Additionally, the maximum time-frame for a part-time student is based on 150% of the total program length. Schedule changes may affect the completion time frame of programs including schedule changes, leaves of absences and absenteeism. **Students who have not completed the course within the maximum time-frame will be terminated. Students will be permitted to re-enroll in the program on a cash-pay basis as outlined in the re-enrollment provisions of the institution's admission's policy.**

ACADEMIC PROGRESS EVALUATIONS

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 75% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

<u>Grading</u>	<u>Description</u>
100%-93%	Excellent
92%-85%	Very Good
84%-75%	Satisfactory
74%- Below	Unsatisfactory

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, they may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

PROBATION

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, they will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

APPEAL PROCEDURE

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

NONCREDIT, REMEDIAL COURSES, REPETITIONS

Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

TRANSFER HOURS

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

Return of title IV Funds: Section 484B of the H.E.A.

The return of Title IV funds as prescribed in Section 484B of the HEA Amendments determines the amount of Title IV aid a student has earned at the time a student withdraws. The amount of the Title IV aid a student has not earned is then returned to the Title IV programs. It is a proportional calculation based on the date of withdrawal through sixty-percent (60%) of the payment period. The formula in brief is as follows:

- The institution will determine the date of withdrawal and then determine the percentage of the payment period attended by the student.
- The institution will determine the amount of Title IV aid for which the student was eligible by the percentage of the time enrolled.
- The institution will compare the amount earned to the amount disbursed. If the amount of aid disbursed exceeds the amount earned, this amount of Title IV aid must be returned.
- The institution allocates the responsibility for returned unearned aid between the school and the student according to the portion of disbursed aid that could have been used to cover institutional charges and the portion that could have been disbursed directly to the student once institutional charges were covered.
- The institution must then distribute the unearned Title IV aid back to the Title IV programs. After this process has been completed, the

Title IV Aid to be Disbursed or Returned Policy

If the student receives less federal student aid than the amount earned, the school must offer a disbursement of the earned aid that was not received. This is called a post-withdrawal disbursement. If the student receives more Title IV Aid than the amount earned, the school, the student, or both must return the unearned funds in a specified order.

Order of Return of Title IV Funds

First, unearned funds returned by Empire Beauty Schools or the student, as appropriate must be credited to outstanding balances on title IV on behalf of the student for the payment period for which a return of funds is required. Those funds must be credited to outstanding balances for the payment period for which a return of funds is required in the following order:

1. Unsubsidized Federal Direct Stafford loans.
2. Subsidized Federal Direct Stafford loans.
3. Federal Direct PLUS received on behalf of the student

Then, if unearned funds remain to be returned after repayment of all outstanding loan amounts, the remaining excess must be credited to any amount awarded for the payment period for which a return of funds is required in the following order:

1. Federal Pell Grants.
2. Other federal, state, private and/or institutional sources of aid; and
3. The student.

Post-withdrawal disbursements

Summary of actions a school must take before making a post-withdrawal disbursement

The actions a school must take before it may disburse funds from a post-withdrawal disbursement vary depending on the source of the funds. A school must obtain confirmation from a student, or parent for a Direct Parent PLUS Loan, before making any disbursement of loan funds from a post-withdrawal disbursement. Without obtaining a student's permission, Title IV grant funds from a post-withdrawal disbursement are credited to a student's account to pay for tuition, fees, and room and board (if the student contracts with the school) or disbursed directly to a student. A school must obtain a student's authorization to credit a student's account with Title IV grant funds for charges other than current charges. Post-withdrawal disbursement of Title IV grant funds

Financial Information

Title IV Aid to be Disbursed or Returned Policy

Empire Beauty Schools is permitted to credit a student's account with the post-withdrawal disbursement of Title IV grant funds without the student's permission for current tuition, fees, and room and board (if the student contracts with the school) up to the amount of outstanding charges. A school must obtain a student's authorization to credit a student's account with Title IV grant funds for charges other than current charges.

Empire Beauty Schools is permitted to use a student's or parent's authorization for crediting the student's account for educationally related expenses that the school obtained before the student's withdrawal date so long as that authorization meets the cash management requirements for student or parent authorizations. If the school did not obtain authorization prior to the student's withdrawal, the school would have to get authorization in accordance with the cash management requirements before the school could credit the student's account for other current charges or educationally related activities. Empire Beauty Schools must credit the student's account with the post-withdrawal disbursement for current charges within 180 days of the determination date. A school must disburse any amount of a post-withdrawal disbursement of grant funds that are not credited to the student's account. Moreover, the school must make the disbursement as soon as possible but no later than 45 days after the date of the school's determination that the student withdrew.

A post-withdrawal disbursement of Title IV loan funds

Empire Beauty Schools must notify a student, or parent of a Direct Parent PLUS Loan, in writing before making any post-withdrawal disbursement of loan funds, whether those loan funds are to be credited to the student's account or disbursed directly to the student (or parent). The information provided in this notice must include the information necessary for the student, or parent for a Direct Parent PLUS Loan, to make an informed decision as to whether the student or parent would like to accept any disbursement of loan funds and must be provided within 30 days of the date of a school's determination that a student has withdrawn. In addition, the notice must request confirmation of any post-withdrawal disbursement that the student or parent wishes the school to make, as applicable.

The notice must identify the type and amount of the loan funds it wishes to credit to the student's account or disburse directly to the student or parent, explain that a student, or parent for a Direct Parent PLUS Loan, may accept or decline all or a portion of the funds. The notice must also explain to the student or parent for a Direct Parent PLUS Loan the obligation to repay the loan funds whether they are disbursed to the student's account or directly to the borrower.

The notice must also make clear that a student, or parent for a Direct Parent PLUS Loan, may not receive as a direct disbursement loan funds that the institution wishes to credit to the student's account unless the institution agrees to do so. If the student, or parent for a Direct Parent PLUS Loan, does not wish to accept some or all of the loan funds that the institution wishes to credit to the student's account, the institution must not disburse those funds.

In the information a school provides to a student when the school informs the student that they are due a post-withdrawal disbursement of loan funds, the school should include information about the advantages of keeping loan debt to a minimum. If a post-withdrawal disbursement includes loan proceeds, Empire Beauty Schools suggests that the student cancel the loan unless the recipient needs the funds to pay educational costs. With a student's permission, Title IV grant funds due a student in a post-withdrawal disbursement may be used to pay down a Title IV loan, thereby reducing any post-withdrawal disbursement made directly to the student.

The school must document the result of the notification process and the final determination made concerning the disbursement and maintain that documentation in the student's file. For example, suppose a school has completed a post-withdrawal loan notification and confirmed a student's desire for any Direct Loan funds included in the post-withdrawal disbursement. In that case, the school is permitted to credit a student's account with the post-withdrawal disbursement without additional permission from the student (or parent, in the case of a Direct PLUS Loan) for current charges. A school may combine providing loan counseling, obtaining authorization to credit loan funds to a student's account for outstanding charges, and obtaining authorization to disburse the student directly.

Once a school has received confirmation from a student, or parent in case of a Direct PLUS Loan that they want to receive the post-withdrawal disbursement of loan funds, a school must make the post-withdrawal disbursement of Title IV loan proceeds as soon as possible but no later than 180 days after the date of the school's determination that the student withdrew.

Crediting a student's account

Empire Beauty Schools will only request Title IV funds for a post-withdrawal disbursement if and when it has determined that it can disburse any post-withdrawal disbursement within three business days of receiving the funds.

Financial Information

Title IV Aid to be Disbursed or Returned Policy

When a student withdraws, the requirements for treating Title IV funds reflect the cash management requirements for disbursing Title IV funds. An institution must obtain a student's authorization to credit a student's account with Title IV funds for charges other than current charges for tuition and fees. Outstanding charges on a student's account are charges for which the institution will hold the student liable after applying any applicable refund policy. After any adjustment, these are the institutional charges that reflect what the student will owe for the current term after their withdrawal, any other current charges, plus any permitted minor prior year charges.

Notice to a student offering post-withdrawal disbursement flexibility in notifying students

To avoid having to contact a student multiple times, a school may use one contact to:

- Notify a borrower about their loan repayment obligations;
- Obtain permission to credit loan funds to a student's account to cover unpaid institutional charges;
- Obtain permission to make a post-withdrawal disbursement of grant or loan funds for other than institutional charges; and
- Obtain permission to make a post-withdrawal disbursement of loan funds directly to a student.

Empire Beauty Schools will send the notification as soon as possible, by 30 calendar days after the school determines the student withdrawal date.

In the notification, the school must advise the student or parent that an institution may set a deadline of 14 days or more. Any deadline must apply to both confirmation of loan disbursements to the student's account and direct disbursements of a post-withdrawal disbursement. In addition, the notification must make it clear that if the student or parent does not respond to the notification within the time frame, the school is not required to complete the post-withdrawal disbursement. However, a school may choose to make a post-withdrawal disbursement based on an acceptance from a student or parent after the deadline.

A school that chooses to honor a late response must disburse all the funds accepted by the student or parent as applicable. For example, the school cannot credit the student's account per the student's request but declines to disburse post-withdrawal funds accepted as a direct disbursement. Suppose a response is not received from the student or parent within the permitted time frame or the student declines the funds. In that case, the school must return (or, in the case of grant funds, re-disburse to another eligible student) any earned funds that the school was holding to the Title IV programs. Suppose a student or parent submits a timely response accepting all or a portion of a post-withdrawal disbursement per the student's or parent's instructions. In that case, the school must disburse the loan funds within 180 days of the date of the institution's determination that the student withdrew. (For additional information, see the discussion under the Date of the institution's determination that the student withdrew earlier in this chapter.) Note that the date of the institution's determination that the student withdrew is the exact date that triggers the 30-day period that the school has for notifying the student or parent of any post-withdrawal disbursement available for direct disbursement. Consequently, the sooner a school sends the notification to a student or parent, the more time the school has to make any accepted post-withdrawal disbursement.

Suppose authorization from a student (or parent for a Direct PLUS Loan) is received after the deadline, and the school chooses not to make a post-withdrawal disbursement of loan funds. In that case, the school must notify the student (or parent) that the post-withdrawal disbursement will not be made and why. This notification must be made in writing. However, if authorization from the student (or parent for a Direct PLUS Loan) is never received, or if the school chooses to make a post-withdrawal disbursement of loan funds per the recipient's instructions on an authorization received after the deadline, the school does not need to notify the student.

Example of the Post-Withdrawal Disbursement Requirements

Michael dropped out of school on November 5. On November 10, the school became aware that Michael had ceased attending. The school determines that because Michael has earned \$900 in Title IV Program assistance that he has yet to receive, he is due a post-withdrawal disbursement of \$900. When Michael withdrew, only \$600 of the \$1,000 in Federal Pell Grant funds that could have been disbursed had been disbursed. Of the \$500 in Direct Loan funds that could have been disbursed, they had yet to be disbursed. The school determines that Michael has \$50 in outstanding tuition charges and \$100 in outstanding library fines for the payment period. The school obtained permission from Michael at the beginning of the term (before his withdrawal) to credit his account for educationally related charges other than tuition, fees, and room and board. Because available grant funds must be used before available loan funds to make a post-withdrawal disbursement, the school credits Michael's account with \$150 of his Federal Pell Grant funds. On November 12 (the last date school could have sent the funds was December 24th—45 days after the date of the school's determination that the student withdrew), the school sent the remaining \$250 in Pell Grant funds to Michael. On the same day (the last date the school could have sent the notification was December 9th—30 days after the school's determination that the student withdrew), the school sends a notification to Michael stating that:

- He is due a post-withdrawal disbursement of \$500 in Direct Loan funds to be disbursed directly to him.
- Michael may accept all, a portion, or none of the \$500 in Direct Loan funds.
- However, any Direct Loan funds Michael takes will have to be repaid.
- The school must make a post-withdrawal disbursement of loan funds only if Michael accepts the funds by November 25, 14 days after the school sends the notification. Note that a school may allow more than 14 days for a response. For example, Michael responded on November 19 and informed the school that he was accepting \$250 of the \$500 in Direct Loan funds. The school has until June 9 (180 days after November 10—the date the school determined that the student withdrew) to make the disbursement (34 CFR 668.22(a)(6)(iii)(C)). The school must document the notification and the final determination pursuant to it (whether the student accepts a partial or full).

Leave of Absence Policy

A Leave of Absence (LOA) is a temporary interruption in a student's program of study. LOA refers to the specific time period during an ongoing program when a student is not in academic attendance. The school may allow more than one LOA at its discretion. Students must request a Leave of Absence in advance unless unforeseen circumstances prevent the student from doing so, and that:

- The request must be in writing
- The request must include the student's reason for the LOA; and
- The request must include the student's signature

The reasons for which a leave of absence may be approved include:

- Medical issues
- Death in the family
- Other mitigating circumstances

The institution may grant an LOA to a student who did not provide the request before the LOA due to unforeseen circumstances if:

- The institution documents the reason for its decision
- The institution collects the request from the student at a later date; and
- The institution established the start date of the approved LOA as the first date the student could not attend.

Leaves of Absence may be granted for a minimum of five (5) days. The Leave of Absence and any other approved leaves of absence may not exceed 180 days in any twelve-month period. For federal aid recipients, the student's payment period is suspended during the LOA, and no federal financial aid will be disbursed to students while on a Leave of Absence. Upon the student's return, the student will resume the same payment period and coursework and will not be eligible for additional Title IV aid until the payment period has been completed. Suppose the student is a Title IV loan recipient. In that case, the student will be informed of the effects that the student's failure to return from leave may have on the loan repayment terms, including the expiration of the student's grace period. A contract addendum will be completed and signed by all parties upon return from the LOA to extend the ending date by the applicable number of days.

If approved, the official Leave will extend the contract period by the same number of days designated in the leave document or used by the student. No additional charges will be assessed as a result of an LOA. A student granted an LOA in accordance with this policy is not considered to have withdrawn, and no refund calculation is required at this time.

A student will be withdrawn if the student takes an unapproved LOA or does not return by the expiration of an approved LOA. The student's withdrawal date for calculating a refund will be the student's last date of attendance.

Should a student fail to meet the above-listed criteria, the LOA will not be approved; the student will be considered absent should they cease attendance –after 14 consecutive days of non-attendance, a termination will result. This may have the following consequences:

- Effect loan obligations
- Possible revisions in the financial aid package
- Notification to lending institutions
- VA benefits may be affected
- Consequences of not returning to school at the expiration of the leave

Cosmetology Program

COSMETOLOGY PROGRAM -1500 HOURS

References: A comprehensive library of references, periodicals, books, texts, audio/video tapes and web-based materials are available to support the program of study and supplement the program of study. Students should avail themselves of the opportunity to use these extensive materials.

Teaching & Learning Methods: The clock hour education is provided through a sequential set of learning steps which address specific tasks necessary for Office of Professional Licensure & Certification preparation, graduation and job entry level skills. Clinic equipment, implements, and products are comparable to those used in the industry. Each student will receive instruction that relates to the performance of useful, creative, and productive career-oriented activities. The course is presented through comprehensive lesson plans which reflect effective educational methods. Subjects are presented by means of interactive lecture, demonstration, cooperative learning, labs, student salon activities, and student participation. Audio-visual aids, guest speakers, field trips, projects, activities, and other related learning methods are used in the course.

Grading Procedures: Each student is graded on their knowledge of the textbook, classroom theory and practical/clinic work throughout the program. Written exams are given at the end of each chapter of study along with a final course exam administered at the end of each phase. Practical and clinical tasks are evaluated using rubrics/grading grids that allow the student to see their progress on each task assignment. Prior to completion of any phase, students must pass all final exams having a minimum grade of 75%. Academic Advising

Students are advised monthly during a one-on-one with their instructor. At this time, the instructor reviews the student's academic and practical learning while going over their progress reports. This is a time for both instructor and student to reflect on what has been learned and achieved and place emphasis on areas that may need improvement

Attendance & Absenteeism

The student should be aware that absenteeism for more than 14 consecutive days without contacting the school may result in the student being terminated from the program. Time is calculated on the quarter hour. The contracted date of graduation may be changed throughout your program due to unexpected school closures. Make-up hours may change your revised graduation date. 5% of your contract time for scheduled hours is allowed for absenteeism and tardiness. School may charge additional tuition for hours remaining after the scheduled graduation date at the rate of \$12.99 per hour for Cosmetology, \$18.66 per hour for Esthetics, \$18.66 per hour for Esthetics Premium, \$18.66 per hour for 900-Hour Esthetics program, \$13.85 per hour for Barbering, \$9.00 Student Instructor or any part thereof, payable in advance until graduation unless other arrangements are made. All students should be in the school 10-minutes before starting their day. At this time, the student should be completely prepared for class – all materials needed in hand, hair and make-up done, and completely dressed for the school day. Students are required to sign in to receive hours for attending. Students are required to call in; if not attending school for the day, you must speak with a School Official. Medical and court documents may or may not excuse the student from incurring additional charges.

Empire Beauty Schools attendance policy aims to help students develop a self-directed, professional attitude toward their studies and maximize their educational opportunities. Regular class attendance provides fundamental educational value and offers the most effective means to gain command of the course concepts and materials. Students are expected to attend all classes, arrive on time, remain for the entire class period, and report to class fully prepared with all required materials.

Note: (Barbering, Esthetics, Esthetics Premium & 900-Hour Esthetics program)

Leaves and missed time may cause an unintentional interruption in your current enrollment, resulting in termination from the program and having to re-enroll in the next class at approximately the same period.

Esthetics, Premium Esthetics & 900-Hour Esthetics-Hour students, may not be allowed to change programs once they have attended half of their enrolled program hours.

Students must minimize conflict with other commitments, including personal or work, to meet these expectations. When students encounter difficulty meeting these requirements, they must actively speak with their School Director to discuss the concern and plans for correcting the absenteeism. Excessive absences may result in withdrawal from the school at the School Directors' discretion. Students should consult with the Director on attendance and make-up hours. Students missing over 50% of any given theory class may be required to repeat the course and be prevented from moving on to the next learning phase.

In inclement weather, the school may be canceled or delayed where the campus resides. Students will need to look for their school's location on WMUR news, the school's message machine, website, and Facebook. ..

Communication is key in order to be successful and required the ability to listen, observe, consult and suggest ideas, services and products to colleagues, instructors, management and clients. Professionalism can be seen and felt in a school, salon, spa or any technical business. Guidelines to Professionalism:

- ◆ Listen and smile often.

Full attention and focus regarding your education and the services you are performed on clientele must be maintained at all times.

Re-admittance to the school will be at the School Director's discretion. A student's termination from one school applies to all campuses.
